DECLARATION OF EMERGENCY

Department of Economic Development Office of Business Development

Industrial Ad Valorem Tax Exemption Program (LAC 13:I.Chapter 5)

This Emergency Rule is being published pursuant to emergency provisions of the Administrative Procedure Act, R.S. 49:962 (A)(1)(a) which provide for emergency procedures to establish rules, and R.S. 51:921 and R.S. 36:104 which allows the Department of Economic Development ("Department") to promulgate rules and regulations to protect the welfare and prosperity of the citizens of the state.

The Department and the Board of Commerce and Industry have an immediate need to amend the rules of the Industrial Tax Exemption Program (LA Const. Art. VII, Section 21) to implement programmatic changes in alignment with Executive Order JML 24-23. A delay in imposition would hinder effective administration of this program and delay access to the program by qualified applicants, resulting in an adverse financial impact on local governing authorities, the state, the Department, Louisiana businesses and taxpayers.

This Emergency Rule shall be effective April 24, 2024, and shall remain in effect for a period of 180 days unless renewed by the Department or until adoption of final rules, whichever occurs first.

DECLARATION OF EMERGENCY

**Department of Health
Health Standards Section**

Hospitals Licensing Standards
(LAC 48:I.9303 and 9353)

The Department of Health, Health Standards Section amends LAC 48:I.9303 and §9353 as authorized by R.S. 36:254 and R.S. 40:2100-2115. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:962, and shall be in

effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health, Health Standards Section amends the provisions governing the licensing of hospitals in order to add a new definition, and to include provisions for the distribution of naloxone nasal spray to patients and/or non-patients who present in the hospital.

This action is being taken due to the drastic increase in the number of fatal opioid overdoses in Louisiana. To prevent the imminent peril to the health, safety, and welfare of the public, access to a life-saving medication to reverse opioid overdose will be expanded. It is anticipated that implementation of this Emergency Rule will have no fiscal impact for state fiscal year 2023-2024. This action is effective April 29, 2024.
