RECRUIT

Build your talent pipeline.

Using innovative tools and creative strategies, our team attracts and screens talent within and beyond Louisiana to build strong pipelines of qualified candidates. Connect with qualified candidates through:

- Multi-platform campaigns
- Targeted sourcing and outreach
- Digital recruitment content
- Engagement with diverse talent pools

ELEVATE

Strengthen your workforce through partnerships.

Access Louisiana's statewide network of:

- K–12 education
- Community and Technical Colleges
- Four-Year Universities
- Workforce and industry partners

Together, we align education with employer needs so Louisiana citizens gain the skills required today and tomorrow.

WHO IS ELIGIBLE?

Companies with qualifying projects aligned with Louisiana Economic Development's strategic priorities and eligibility requirements may be considered.

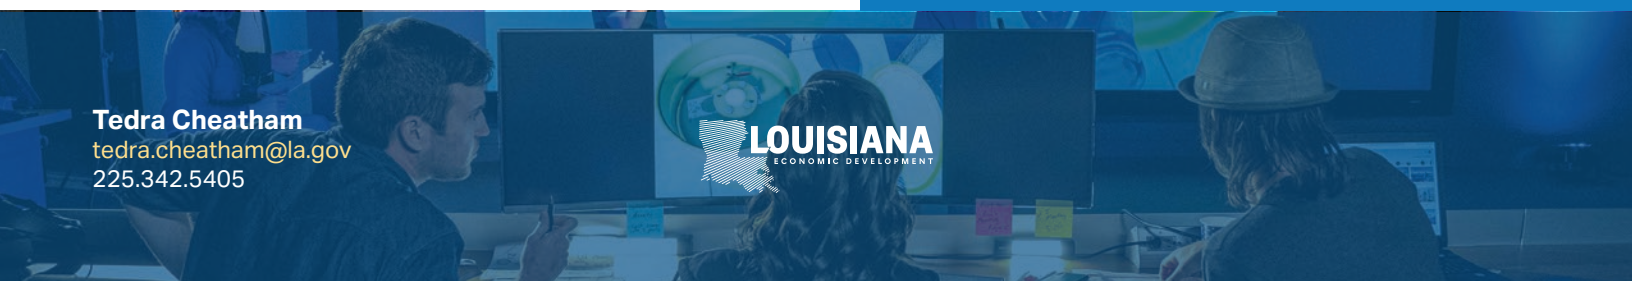

HOW DOES IT WORK?

Every project begins with discovery conversations to understand your business, workforce needs, and growth goals. **LED FastStart then creates customized solutions** for a successful launch and long-term growth.

A STATEWIDE TALENT ECOSYSTEM CONVENER

LED FastStart unites education, industry, workforce organizations, and economic development partners to create sustainable talent solutions statewide.

By aligning talent strategy and education partners with industry demand, **Louisiana helps employers hire today's talent while developing tomorrow's workforce.**
